1. INTRODUCTION

HISTORY

Established in 2014, Shining-Light Investments Close Corporations specialised in general trading and investments, roadwork, manufacturing, produce, hotels, market all commodities, cleaning, catering services, construction, hardware, property development, import and export. Shining - Light Investments under the Close Corporations Act (registration number CC/2014/10999. Since then, the Company has continued to deliver the best value in supplying goods and do catering services by placing expert and professionals in all their projects.

OUR MISSION

“To help establish a society where all people have access to the basic services that can develop and upgrade the lives of the Namibian nation at large”

KEY ORGANISATION VALUES

SHINING-LIGHT INVESTMENT CC is inspired by these values:

- **Transparency:** To be oneself in all situations, in the knowledge that without the contribution of managers and employees it will not be possible to attain predetermined outcomes. Everyone has the opportunity to freely express their thoughts directly, fully respecting the opinions of others and with an attitude that is honest, polite and constructive. At SHINING-LIGHT INVESTMENT CC work is undertaken through initiative, commitment and motivation. Everyone strives to be an example to others.
- **Corporate Culture:** SHINING-LIGHT INVESTMENT CC corporate culture is based on innovative ideas that entail everyone being involved and contributing to the corporate mission, as well as adding to the conviction that service excellence is measured not just by standards and procedures, but by initiative and commitment. Everyone is fully aware that each individual role is crucial, irrespective of whether one comes into direct contact with guests or one is working behind the scenes. The conduct of every single employee influences the image and reputation of the company as a whole.

• **HR Development:** SHINING -LIGHT INVESTMENT CC is aware of how vital it is to gain the confidence of its own employees and so it is committed to contributing to their continued development and training. Everyone's accountability and diligence make it possible to achieve performances of excellence that will impact positively on the customers' experience.

LOOKING TO THE FUTURE

SHINING -LIGHT INVESTMENT CC is therefore a sound business that, by exploiting its own vitality and through its relentless adoption of business activities aimed at growth, aims to occupy an increasingly prominent position on the national and international map.

The values expressed in this document are what drive the company growth, and each and every employee is fully aware of this. The growing attention paid to environmental issues is one of the cornerstones on which all the new initiatives will be based, repaying the size of the company's commitment not only in making a profit, but doing so in an ethical way.

Company Ownership

Shining -Light Investment is being established as a privately-owned close corporation business. The business is owned by a sole Members Mrs Pashukeni Tuyeimo Johannes. Mrs Pashukeni works as Restaurant Finance Manager for 5years, and hold degree in finance Management.

2. OUR SERVICE

2.1 Catering services

We are part artists and part servants and also offer catering services. There is nothing we want more than to provide you amazing food that fits both your event and your budget. The more information we have, the better the job we can do. Or, as we like to say: "Great Food. Great Service. Spectacular Events!"

So far the company had only cater up to 500 people for 2 weeks. For small events we are use to provide catering services almost every month for birthdays, baby showers, and weddings.

2.2. Restaurant and take-away

The restaurant will sell all kinds of food African and European. Here is a place where people pay to sit and eat meals that are cooked and served on the premises and also take their food to eat somewhere.

2.2.1. Our core Business

The primary service we provide separately or as a turnkey package are:

- Breakfasts,
- buffets,
- dinner service,
- hot and cold lunches,
- coffee breaks
- Events Management
- Parties
- Weddings
- Conferences

All services are custom designed to your needs.

2.3. PRODUCTION

MARULA OIL PRODUCTION-We produce pure Marula oil which extracted from Marula kernel. Marula oil is a clear, pale golden- brown and has nuttyaroma, highly stable, nutrient-dense and lightweight botanical oil which is packed with powerful antioxidants, essential fatty acids along with Vitamin Vitamin C, flavonoids that assist to renew cells and phenolic compounds. It can be used for various purpose such as:

(A) Used as skin care-Marula oil I widely used as an ingredient in skin care products, and appears to be beneficial for oily, acne-prone, dry, and aging skin. It is also used to

(B) Used hair treatment- It can help nourish hair from root to tip, without making it overly greasy, The oil has hydrating, moisturizing, and occlusive (preventing water loss) properties, and making it beneficial for dry, frizzy, or brittle hair.

(C) Used as Cooking Oil- Marula oil is considered a delicacy and used as a cooking oil in traditional and modern recipes by the indigenous tribes in Africa. it used to preserve meats that can then last for about a year.

2.4. SUPPLYING OF CORPORATE GOODS

We are offering our customers the finest quality and best selection of products with the quickest services in the industry. As supplying of goods is one of our registered business activity, we ready to supply any kinds of corporate goods our clients will need. We are very proud to be associated with a number of leading corporate agents, who offer top quality products.

2.5. CROCHETING AND TAIROLING

Shining-light investments cc have a tailor shop at Windhoek flea market where we are being sewing different types of human wears, like casual wear, uniforms, blackets, corporate wears table clothes and curtains.

In crocheting department is a handcraft type of business where yarn is the primary material used to make a patterned fabric by looping it with a crochet hook. We are sell crocheted wears and

decors: sweaters, hat, baby clothes, socks, mittens, cup holders, scarves tops, warmers, blankets, floor mate, table runner, and under plate.

2.6.3 ANIMAL TAGS

We are specials in printing and sell animal ear tags that typical made from durable, flexible plastic such as polyurethane, designed to withstand harsh outdoor conditions like heat, rain and dust. They are lightweight to avoid discomfort to the animal and are shaped to fit securely in the ear without causing injury. We are also selling accessories like: tagging applicators.

Values:

Health: Our food and beverages are prepared from the finest ingredients. We create innovative dishes that are full of flavour and nutrition. We provide alternatives for dishes that are typically indulgent, but based on client needs we can create dishes using any method requested.

Integrity: This can mean many things to our clients. Each event we cater will have all details executed by our team. What is agreed upon between client and company will always be delivered upon.

Customer individualization: It is our goal to provide each and every customer with an experience tailored to their wants and needs. We are able to do so by preparing every dish from scratch and providing ample planning time with our client to understand their needs. We create dishes specific to events and go beyond a standard menu of items/services to choose from.

The Uniqueness of us

With a Namibia wide presence, we can deliver services on sole supply or regional basis. Our objective is always to deliver customer satisfaction whilst participating in client's commercial achievements.

We are in the business of satisfying client's needs with a single, unified, all-inclusive complete service solutions.

We list some of key strengths for the successful execution of our projects:

a) Capabilities

We serves clients on a wide array of issues, regardless of industry sector. Our capabilities have been developed through the years of experience providing support solutions for the most difficult, fundamental catering and related problems facing our clients.

b) Local Knowledge

Extensive experience and capability in managing various projects locally, the technically qualified staff and detailed knowledge required to successfully develop and implement various projects.

Our People

We are strongly believe in staff training and development and provide innovative learning opportunities to all team members both at head office and in our operation units. We also maintain a strong teamwork ethic throughout the organisation.

Our culture is one of opportunity from both a professional and personal perspective. Our people actively contribute to case teams at every level and people are rewarded in accordance with their performance and contribution to team building and team achievements while working individually.

Our team is headed by the managing director Mrs Pashukeni Tuyeimo Johannes who is responsible for the overall performance of the organisation. Under the managing director are three main departments that is operations, finance and administration and health and safety
